Entries must be to Steve Trammell by the 20th of each month for judging. Please submit your entries to Steve Trammell by 11:59 pm on August 20, 2020. Plans for the **Morongo Basin Orchid Festival orchid show** are in place. We are now awaiting word from Gubler's to see if it is a "go" in October. We will keep you posted. If the Festival occurs, then we will need volunteers for this important event. Our Society is in charge and puts on the AOS Orchid Show for the festival.

We look forward to the time we can meet as a group. We have not yet received word that it is safe to gather in a group.

Take time to phone another member or two and keep in touch with each other through these times of isolation. Stay virus free.

Need a Lift Me Up Card?

Vendors of the Month

The two vendors featured this month are supporters of our annual fund-raising auction. We appreciate their support and interest in our Society.

Kalapana Orchids is a family owned business located on the Big Island of Hawaii. The business was started in 1987 by John and Mindi Clark. They have two growing areas-- one for heat tolerant orchids and one for cooler growing orchids. They are a wholesale business and cater to orchid societies. We appreciate their support and business. Visit their website at www.kalapanatropicals.com

The Huntington Library and Botanical Gardens: Brandon Tam oversees the orchid collection and has been a featured speaker at our regular meetings. Our society is represented in the volunteer department each year at the International Orchid show held in October at the Huntington. The Huntington has donated plants for our sale each year. If you wish to visit the Huntington, you must go online and get reservations to enter due to the virus pandemic we are experiencing. We have enjoyed the support and donations from the Huntington each year. For more information visit their website <https://www.huntington.org/>.

Take care keep in touch and if you know anyone that needs a pick me up or concern card please let Ron Lang know at 951-663-5237.
