## In Person Meetings:

The Board has decided **not** to meet in person In January 2022. We will start our in-person meetings in February. The Board is working with the Gonzales Community Center to be able to hold our meetings in the daytime on Saturdays. Many of us travel a bit of distance and night driving is becoming a problem for some of our members.

## Happy Birthday RSBCOS:

Can you believe it, this is our 70<sup>th</sup> year? 2022 will be a time of viruses and excitement. We have survived 2020 and 2021. The photo entries of your orchids to be judged has been a great success. The Zoom programs have been the glue to hold us together even though some of our members were unable to participate. The Bylaw changes are ready to be typed and will be available for you to look over and then they will be voted on at the March meeting. The AOS orchid show at the Morongo Valley Orchid Festival was well received. A great since of appreciation and a huge thank you for all your support, patience, and work over the last two years. Let's have a great year.

## SHOW AND TELL

The orchid board members had 23 orchids to judge at our November board meeting. Please email or send 3 x 5 prints to Steve Trammell([swtrammell@msn.com](mailto:swtrammell@msn.com)). Judging has been challenging throughout the year, while at the same time rewarding. Keep those photos coming. **Please note that the entries are due on January 20<sup>th</sup>.**

The board has decided to add an additional category to Show-N-Tell when we start meeting in person. Some members have very large (Specimen Plants) that are almost impossible to bring to our meetings. So, these plants will be judged from photos submitted to Steve Trammell. These will be shown on screen at our general meetings and judged by members. These Specimen Plants are plants that are in large Pots (14 or more inches, or baskets, or large mounted Orchids). All specimen Orchids will be judged together regardless of genera.

## California Garden Club Photo Entries:

Some of our members have entered the California Garden Club photo contest. If you are interested in entering in 2022, please contact Ron Lang for more information. There are cash awards for the winners.

## SPRING GARDEN FESTIVAL BEING PLANNED

The March flower show that we cosponsor with two other garden clubs is now scheduled for the first Saturday on March 5, 2022. Please add this date to your calendar and plan on participating. This will be held at the Colton Lawrence Hutton Community Center. We will need helpers and show entries as we do for every event that the society sponsors. We will keep you posted.

## NEED A PICK ME UP CARD?

If you or someone in our society needs a pick me up card, please let Janet Parks know as she is now our Sunshine person. The society wants all our members and friends that we care and are concerned about to know that we are thinking of them. Janet's email is [jntprks@gmail.com](mailto:jntprks@gmail.com) and her phone number is 951-315-8273.
