Riverside-San Bernardino Counties Orchid Society, Inc. Is a 501 (C) (3) Non-Profit Organization

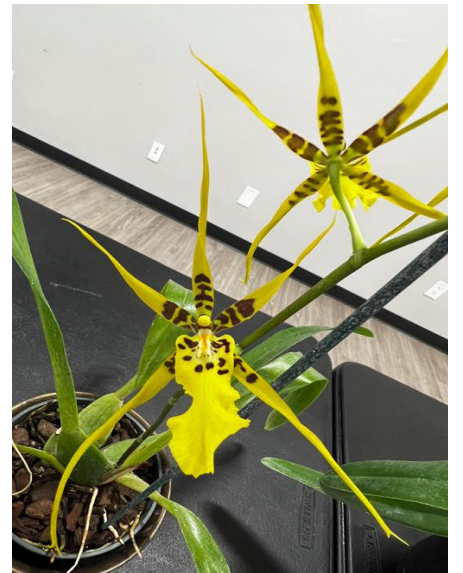

Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.

We need a volunteer:

Do you like to shop? Who doesn't. We need a member to buy plants for the raffle table. We will have a budget for you so that you know how much you can spend. There are a lot of growers out there and most sell on the internet. This would be a chance for us to have a larger variety of plants or orchid supplies on the table. Please contact someone on the board to volunteer.
