# Program for January 9<sup>th</sup>

#### Speaker of the Month—Brandon Tam

His presentation was titled:

*"Growing Stanhopeas outdoors in Southern California."* 

Brandon Tam is passionate about his career as the Orchid Collection Specialist at The Huntington Library, Art Museum, and Botanical Gardens in San Marino, California.

Brandon's grandmother first introduced him to orchids when he was seven by giving him a white cymbidium. He volunteered at the Huntington during high school, and when he graduated at age 16, Dr. James Folsom, Director of the Botanical Gardens, offered Brandon a full-time position as the Orchid Collection Specialist. Brandon has managed the collection for the past ten years. While working with Dr. Folsom to reinvigorate the Huntington's orchid collection, Brandon attended California State University Polytechnic, Pomona, and earned his Bachelor of Science in Plant Science degree in 2015. Brandon now oversees one of the largest orchid collections in the United States, which has grown from 2000 to over 10,000 plants in the past ten years. The Huntington's orchid collection is housed in over 26,000 square feet of growing area, which includes the Rose Hills Foundation Conservatory and three collection greenhouses, dedicated specifically for tropical plants. He also oversees the Huntington's 50 Amorphophallus titanums (better known as the "Corpse flower") and has successfully bloomed seven since 2014.

Brandon is also in charge of the annual Huntington International Orchid Show, which he inaugurated in 2015, and was in charge of hosting the annual meeting of the American Orchid Society at the Huntington in 2016.

Under Brandon's direction, The Huntington has won over 100 awards from the American Orchid Society within the last three years, which includes five First Class Certificates and three Certificates of Cultural Excellence. At the American Orchid Society Fall 2016 Members Meeting, The Huntington received The Merritt W. Huntington Award, which gives international recognition for the "Most Outstanding Orchid" in the year of 2015 for Paphiopedilum micranthum 'Huntington's Perfection' FCC/AOS. In 2016, The Huntington received not just one, but two American Orchid Society Special Annual Awards! Lycaste consobrina 'Huntington's Finest' AM-CCE/AOS received the Butterworth Award which goes to the grower of the plant exhibiting the finest orchid culture. It also received the Benjamin C. Berliner award which is given to most outstanding example of the genus Lycaste or its closely allied genera. At the time of judging, it had a total of 287 flowers and 7 buds.

In Brandon's spare time, he loves to travel, and of course...EAT! He joined Harold Koopowitz and others on a trek in Ecuador led by Pepe Portilla, where the group saw many wild orchids and focused on the study of Selenipedium aequinoctiale. Additionally, Brandon was elected as Trustee of the American Orchid Society, for a three-year term, which started March 2018.

## Thank you to Brandon for a very informative program.

# **Orchid Society Board Minutes**

The Orchid Society Board will be including its monthly board meeting minutes in the newsletter so that you will know what we are doing. The meetings are open to all members that wish to attend and if you have suggestions or questions, we are open to hearing them. The board is responsible for the running of the society in such areas as getting speakers, planning events, tours, shows and keeping track of the finically health of the society. We also recruit new members, receive reports from the various committees and negotiate contracts for meeting space etc.

# **Christmas Potluck**

Thanks to all that participated, brought excellent table center pieces, food and friends and it was a great time.

# **Annual Fund Raiser Orchid Auction**

We will be holding our **Annual Orchid Auction on Saturday, March 21, 2020,** in the Lawrence Hutton Community Center, the building next to where we meet. We will need help in all areas of the auction such as labeling plants, supplying plants to the auctioneer, helping set up, keeping track of sales and collecting the money as well as hosting and welcoming visitors. Be sure to invite all that you meet to the auction and come yourself to purchase another orchid for your collection. The plants are donated by various orchid growers and dealers in the area and beyond. You may want to visit them and purchase an orchid ahead of the auction. We do appreciate the support of these growers.

# **Society Outreach**

The Trammell's and the Lang's have spoken at two garden clubs in our area on the care of the gift orchid. These programs give us an opportunity to expose the public to orchids and the society's existence. If you belong to a group, or know of one that is seeking speakers, please give them Ron Lang's name and contact information-- <u>rflangx25@gmail.com</u> or 3800 W. Wilson Space 85, Banning, CA 92220 or 951 663 5237. It is a great way to recruit new members and get the public to know we exist.

# Membership Dues are Due January 1, 2020. The dues are \$25 per household per year.

Our society will be able to accept credit card payments at the February meeting for membership. This will also be available at our Orchid Auction.

Riverside/San Bernardino Counties Orchid Society, Inc. has the following memberships: American Orchid Society, Inc National Garden Clubs, Inc. Pacific Region Garden Clubs, Inc California Garden Clubs, Inc Palms to Pines District
