### **General RSBCOS Meeting**

Tune in for another Webinar. We must remain virtual until the virus dies down and the Community Center in Colton reopens for our meetings. Please keep in touch with each other and share your orchid success and failures. Our next general meeting will be November 12<sup>th</sup> at 7:15 pm.

Our program will be:

### Dave's story:

Dave was born in Toronto, Canada. He got a degree in Biochemistry from the University of Toronto but was not really interested in biochemistry. After a few years as a tropical fish importer he returned to school and received a degree in Enology and Viticulture from Brock University in St. Catharines, Ontario. While at Brock he bought a few orchids from a 'big box' store. After school he moved to California to pursue his career in winemaking and find a warmer climate to grow his orchids. He has been growing and breeding top quality orchids with close to 100 AOS and CSA awards. Dave is also an AOS accredited judge and noted orchid speaker. Dave and Stacey Sorokowsky own Paph Paradise Orchids.

You do not want to miss this program.

### The Huntington Orchid Show:

Our society was represented at the non-judged, exhibition only orchid show held in the Chinese Garden at the Huntington. Our display was in the pavilion that was dedicated to orchids. Our society was well represented and we had plenty of helpers placing the orchids and picking them up at the end of the show. Brandon from the Huntington provided orchid pots for double potting.
