General RSBCOS Meeting

November 11, 2021 at 07:15 PM

Speaker: Dr. Leslie Ee

Born in Borneo, not far from the home of *Paphiopedilum sanderianum*, Leslie was raised around orchids his entire life by his grandmother and mother, both of whom treasured local orchids. They taught Leslie how to grow and flower them at a young age, and he never looked back since. Leslie has since grown many varieties over 30 years, but his favorites are *Cattleya* species, *Paphiopedilum* species, novelty *Phalaenopsis*, and miniatures, with a few botanical varieties thrown in. At present Leslie has over 500 plants, most of them selected and heirloom *Cattleya* species, and three orchid tanks, including a cool tank with *Dendrobium cuthbertsonii*. Dr. Ee has travelled the world to attend orchid shows and nurseries (such as Japan, Ecuador, Colombia, US, Thailand, Singapore and Malaysia). Leslie is an AOS Associate Judge with the Toronto judging centre as well as President of the COC. He is committed to the sharing of orchid knowledge and conservation efforts of local orchids around the world.
