## Meeting face to Face:

The board has decided due to the spike in COVID that we will delay meeting in person until April. We are exploring meeting on Saturday afternoons during the day. We are looking into daytime meetings because many of our members have trouble driving at night. Your opinion on this time change would be greatly appreciated. Please let a board member know.

## Garden Festival and Flower Show:

The Garden Festival and Flower show has been moved from March 5 to Saturday, September 10, 2022 due to the uncertainty of attendance due to COVID. Our society is one of the sponsoring groups for this event. More details will follow.

## By Law Changes:

As promised the recommended Bylaw changes will be in your hands in February either by email or hard copy. Please go over them and, if you have any questions or suggestions, please contact Ron Lang. The first reading will be at the March Zoom meeting and voted on at the in-person meeting in the April.

## Scholarship donation Has Been Sent:

The orchid society has contributed \$1000 to the scholarship fund at CalPoly in Pomona. The society was able to make this donation from the money we earned for two years at The Morongo Basin Orchid festival sponsored by Gubler's Orchids. We are exploring a tour of CalPoly and a possible program to be given by one of the students.

## Riverside Community Flower Committee Garden Tour:

On Saturday, April 23, 2022, the Riverside Community Flower Show Committee will host a Garden Tour. Our orchid society has been invited to put up a table at the garden of one of our members whose home is on the tour to sell orchids and advertise our Society. This is a great opportunity to get the word out about our Society, maybe we will find new members. We will be looking for volunteers to help with the table. More details to follow

## SHOW AND TELL

The orchid board members had 27 orchids to judge at our January board meeting. Please email or send 3 x 5 prints to Steve Trammell ([swtrammell@msn.com](mailto:swtrammell@msn.com)). Judging has been challenging throughout the year, while at the same time rewarding. Keep those photos coming. **Please note that the entries are due on February 20<sup>th</sup>.**

The board has decided to add an additional category to Show-N-Tell when we start meeting in person. Some members have very large (Specimen Plants) that are almost impossible to bring to our meetings. So, these plants will be judged from photos submitted to Steve Trammell. These will be shown on screen at our general meetings and judged by members. These Specimen Plants are plants that are in large Pots (14 or more inches, or baskets, or large mounted Orchids). All specimen Orchids will be judged together regardless of genera.

## California Garden Clubs Inc Board Meeting

The CGCI Winter Board meeting will be held by zoom February 7 – 9. If you wish to go to all or a part of this meeting then go on to the CGCI website and register. Check out the schedule.

## Invite Persons to Join Our Society

Keep handing out those business cards advertising our Society. Jim Spence has the cards if you have used all yours up. I have two left from the 20+ that I carry with me wherever I go.

## NEED A PICK ME UP CARD?

If you or someone in our society needs a pick me up card, please let Janet Parks know as she is now our Sunshine person. The society wants all our members and friends that we care and are concerned about to know that we are thinking of them. Janet's email is [intprks@gmail.com](mailto:intprks@gmail.com) and her phone number is 951-315-8273.
