Meeting @ 7:30 pm**

The General meeting will be Thursday, April 11, 2019, 7:30 pm., at the Gonzales Center, 670 Colton Ave. Our speaker will be Douglas Overstreet. His presentation will be “An Overview of *Paphiopedilums* and Their Culture”. This is a program that you do not want to miss. Many have tried to raise these unique orchids and have had difficulty. Here is your chance to learn, experience and ask questions that may lead to your succeeding in raising the one you purchase at our upcoming auction. Doug has been raising orchids since he was 10 years old. Surprise the first orchid he brought to bloom was a *Phalaenopsis* hybrid. He became a resident of California in 1975. He began as a private orchid consultant in 2000. He is an accredited AOS judge, author of many articles in Orchid publications, and is now a full-time horticulturist, an orchid specialist in charge of the Thornton Conservatory and Ernest Hetherington Memorial *Cattleya* Collection at the Huntington Library. This is an opportunity not to be missed for it is a chance to learn, experience and ask questions. The activities start at 7 PM, so bring your orchids to show, your friends to enjoy, and a snack to feed the hungry. See you there.

Up Dated Business Cards Available.

Jim Spence has designed and had printed our new business cards for distribution to persons you meet, are friends with, who might be interested in orchids etc. He will have them at the meeting for distribution. A great thanks to Jim.
