### DOUG CONKIN

## PLANNING AND DEVELOPING YOUR ORCHID COLLECTION

Doug was born and raised in new Mexico and currently resides in Green Valley, Ca. The son of a floral designer and descendant on both sides from a long line of farmers, he comes by his interest in orchids naturally. He began growing orchids at the age of 12 and has been avidly involved in the hobby ever since.

Doug has spoken for numerous orchid societies, botanical gardens and orchid nurseries. He is known for his ability to present complex information on orchids in a manner suitable for the advanced enthusiast and yet easily understandable by the absolute beginner. Doug has written a year long series of articles on Integrated Pest Management for the Orchid House for The Orchid Digest magazine and is also a member of its editorial board. He is a Certified Probationary Judge in the AOS. A gifted orchid educator and lively speaker, you will not want to miss his talk on Planning and Developing Your Orchid Collection.
