Welcome to the Riverside-San Bernardino Counties Orchid Society  
"Orchids in the Park II"  
Small Standard Flower Show and Plant Sale

What began in 1952 as a small group of orchid enthusiasts has grown to nearly 100 members, from passionate hobbyists to Master growers. Our activities range from our annual member greenhouse tour to friendly monthly meetings to share knowledge on orchid culture, and learn from guest speakers.

Everyone is invited to join the Riverside-San Bernardino Counties Orchid Society. You can join at one of our monthly meetings or by mail. We do appreciate your participation in our Annual Orchid Show and thank you for helping to make this years show a success.
