Riverside-San Bernardino Counties Orchid Society, Inc. Is a 501 (C) (3) Non-Profit Organization

Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.

No General Meeting For October

The board decided not to have a meeting in October. We want to encourage our members to attend the Morongo Basin Orchid Festival in Landers CA and the Huntington International Orchid Show and Sale.

Morongo Basin Orchid Festival

Our society is sponsoring an AOS judged show for the 6th year. We are also teaching several classes this year, including a class for kids on growing Venus Fly Traps taught by Rozie. We have had several members volunteer to help at the show. We thank them for volunteering to spend time with us and make this show the best one ever. We need your blooming Orchids: if you have orchids but can't attend Tom has volunteered to help transport your plant to Landers. Please contact Tom or Steve a few days before the show to arrange.

Show-N-Tell:

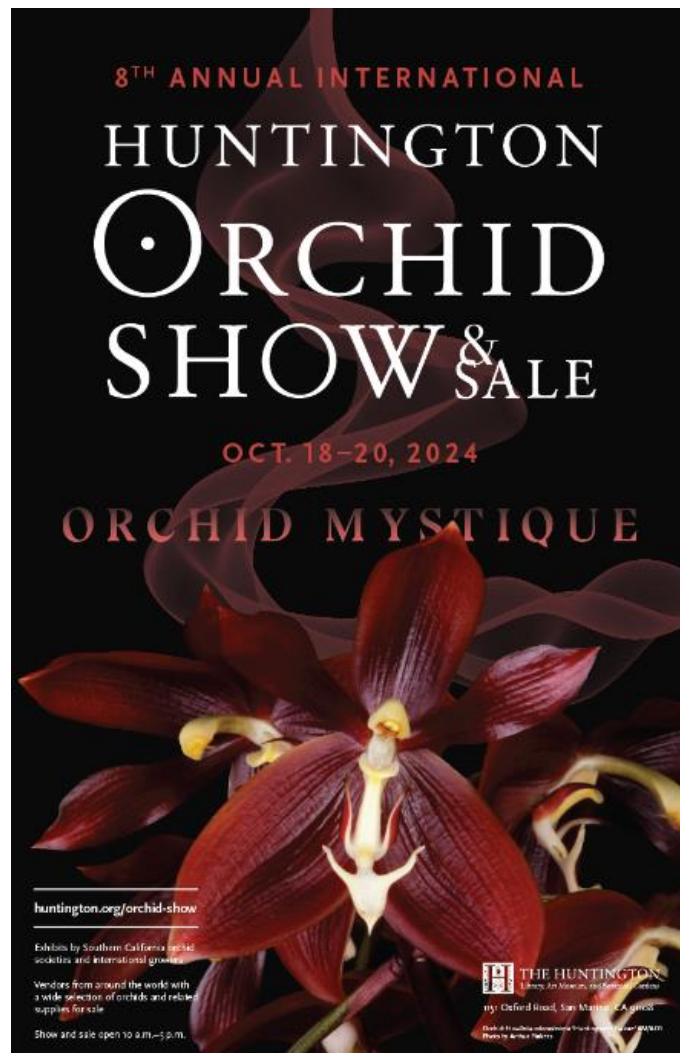

We will judge orchids of members at the Morongo Basin Orchid Festival and count toward Show-N-Tell points.

NEED A PICK ME UP CARD?

If you or someone in our society needs a pick me up card, please let Janet Parks know as she is our Sunshine person. Our Society wants all our members and friends to know that we care and are thinking of them. Janet's email is jntprks@gmail.com and her phone number is 951-315-8273

New Member Badges:

Jim Spence a few months ago suggested that we come up with new member badges that are brighter and easier to see. We voted at the August meeting. Below is a picture of Jim's new badge. You can order a new badge if you would like at our next meeting – the cost will be \$12. I think the new badge looks great, thank you Jim.

8th Annual Huntington International Orchid Show and Sale

This show and sale you will not want to miss, the fun goes from Oct. 18th – 20th. We have signed up for one 8ft. table display. So again, we need your blooming Orchids. The set up for this show is much faster than the Morongo Show. But we would like to encourage members to support our efforts to spread the word about our society. If you have Orchids that are blooming and you cannot attend, I am willing to take your orchids to this show. Please send email to Steve at swtrammell@msn.com, or call or txt to 951-315-4814 and we can figure out how to pick up your plants. This is also an AOS judged show.

There will be vendors at this show if you want to add to your collection. And of course you can enjoy all the other gardens at Huntington.

If you have ideas for our table display – please contact Steve.
