Riverside-San Bernardino Counties Orchid Society, Inc. Is a 501 (C) (3) Non-Profit Organization

Riverside-San Bernardino Counties Orchid Society (RSBCOS) was founded to further the understanding and appreciation of orchids by its members locally and to aid in a worldwide effort to improve man's knowledge of them.

General Meeting – September 14th, 2:00 to 4:30 pm

Program: To Be Announced at the Meeting

Are you Ready for October?

October is almost here and it is maybe the busiest month of the year for our society. We start the month off with the Morongo Basin Orchid Festival, held at Gubler Orchids. Our society is sponsoring this AOS judged show for the 6th year.

Address for Gubler Orchids: 2200 Belfield Blvd, Landers CA 92285

- Registration of Entries is on Friday Oct. 4th from 2 pm – 4 pm and on Saturday Oct. 5th from 8 am – 9 am.
- Judging will start at 10:00 am on Saturday Oct. 5th.
- The festival is open to the public on Saturday Oct 5th from 10 am – 5 pm and on Sunday from 10 am – 3 pm.
- We need your blooming orchids for this show.
- We need help to set up for the show (Friday afternoon) and help with take down on Sunday after 3 pm.
- We need members to help watch our display area while other members are teaching classes.

No meeting in Oct. See you at Morongo and Huntington Show

Orchid Classes: Our society normally teaches an orchid arrangement class on Saturday and Sunday. Another orchid society from Arizona has taught classes on how to grow and care for orchids. This year the Arizona group may have to cut back on classes and we said we can take over if needed. Also, this year, something new a class for kids. Yes, you heard that correct, trying to include kids in a new event at the festival. This will be a class on how to grow and care for Venus Fly Traps. Rozie is busy working out the details of this event with Heidi Brodeur. This sounds like it should be a lot of fun. While we are doing these classes we are tied up and can't watch the orchid display area – we need help. Also, if someone wants to help check registration and collect money for the classes – we need your help. I should point out that this is how we raise most of our money to keep the society going.

These events have been very successful in the past and we are looking forward to this year's events. All supplies and plants are donated by Gubler Orchids. This event is also a great way for us to spread the word about our society and maybe sign up more members. Come have fun with us. Did I mention that good food is available at the festival as well? Linda and Ron Lang as well as Rozie and Steve Trammell are spending the weekend close by in Twentynine Palms. And of course, you are also welcome to add new plants to your collection from Gubler's greenhouses as you tour them for free.

The Morongo Basin Orchid Festival is sponsored by the Yucca Valley Sunset Rotary Club and Gubler Orchids. **All** proceeds go to local community non-profit organizations.

8th Annual Huntington International Orchid Show and Sale

This show and sale you will not want to miss, the fun goes from Oct. 18th – 20th. We have signed up for one 8ft. table display. So again, we need your blooming Orchids. The set up for this show is much faster than the Morongo Show. But we would like to encourage members to support our efforts to spread the word about our society. If you have Orchids that are blooming and you cannot attend, I am willing to take your orchids to this show. Please send email to Steve at swtrammell@msn.com, or call or txt to 951-315-4814 and we can figure out how to pick up your plants. This is also an AOS judged show.

There will be vendors at this show if you want to add to your collection. And of course you can enjoy all the other gardens at Huntington.

If you have ideas for our table display – please contact Steve.
